

AMENDED IN ASSEMBLY JUNE 16, 2015

AMENDED IN SENATE APRIL 14, 2015

SENATE BILL

No. 426

Introduced by Senator Leyva

February 25, 2015

An act to repeal and add Section 10168.4 of the Insurance Code, relating to annuities.

LEGISLATIVE COUNSEL'S DIGEST

SB 426, as amended, Leyva. Annuities: cash surrender benefits.

Existing law governs annuities and, for those insurance contracts that provide cash surrender benefits, prescribes the cash surrender benefit available prior to maturity. Existing law also requires the death benefit under these contracts to be at least equal to the cash surrender benefit.

This bill would instead require the death benefit payable under contracts issued or delivered on or after January 1, 2016, to persons 65 years of age or older to be at least equal to the annuity value or accumulation value, excluding any surrender charges or penalties upon death. The bill would also make technical changes.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
